Go to the library website **bib.odisee.be** (set language to English)

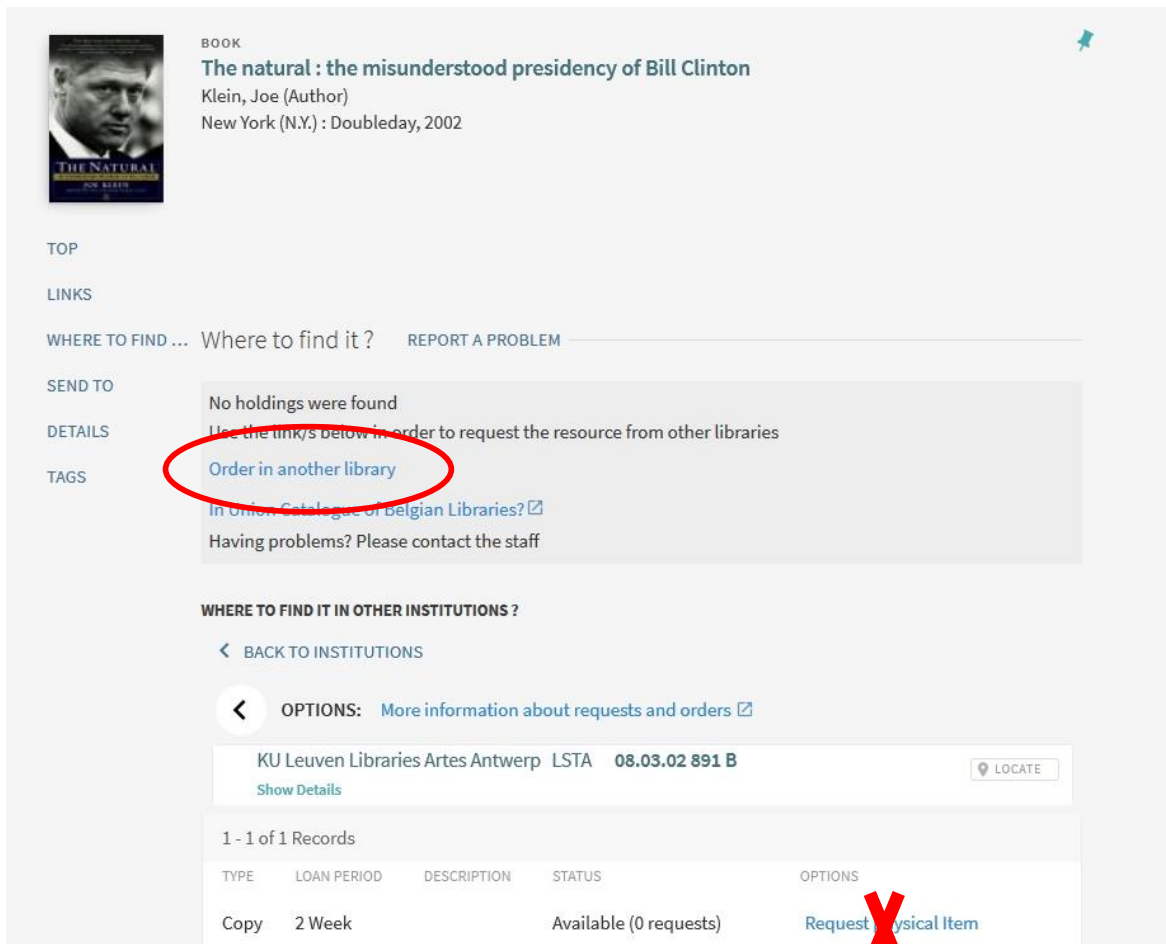

Click the link **Search in collections (Limo)**; the following screen appears:

The screenshot shows the Odisee library website interface. At the top, there is a navigation bar with links for 'NIEUWE ZOEKACTIE', 'E-TIJDSCRIFTEN', and 'UITGELICHTE COLLECTIES'. A search bar is prominently displayed with the text 'Zoek in Limo'. Below the search bar, there are several informational sections. The first section, 'Wat vind je in Limo?', lists criteria for search results. The second section, 'Nieuws', contains a notice about a database. The third section, 'Mijn Bibliotheekaccount', includes links for 'Zoek bibliotheek' and 'Zoektips'. The 'KU LEUVEN' logo is circled in red, indicating the target institution for the request.

Click on the **KU Leuven logo** and log in.

Search in Limo for the book you need.

The screenshot displays the search results for the book 'The natural : the misunderstood presidency of Bill Clinton' by Joe Klein. The page includes a book cover, title, author, and publication details. Below the details, there are sections for 'WHERE TO FIND IT...', 'SEND TO', 'DETAILS', and 'TAGS'. The 'Order in another library' link is circled in red. Below this, there is a section for 'WHERE TO FIND IT IN OTHER INSTITUTIONS?' with a 'BACK TO INSTITUTIONS' link and an 'OPTIONS' link. A table shows the book's availability at 'KU Leuven Libraries Artes Antwerp LSTA' with a 'LOCATE' button. The table also shows '1 - 1 of 1 Records' and a table with columns for 'TYPE', 'LOAN PERIOD', 'DESCRIPTION', 'STATUS', and 'OPTIONS'. The 'Request physical Item' link is crossed out with a red X.
